Dear Prospective Family,

Thank you for choosing St. Cyril of Jerusalem School. Our school has been fostering a faith filled community and offering quality academic programs since 1950. As a parent, I know how important choosing a school for your child can be. These are choices that shape the lives of our children and our families as a whole.

At St. Cyril, being an educator is more than a job or a career; it is a calling. Part of that calling is our call to service. We take the call to serve our students in the areas of faith, academics, community, and personal excellence very seriously. My top priority as principal of this great community is to ensure that this call to service is fostered and realized throughout your child's journey at St. Cyril. Our expectation is that when your child moves on from St. Cyril they will have embraced the learning expectations we promote: to Love God, to Love Others, to Love Self, and to Love Learning.

In our time together, I look forward to getting to know you personally. While you will find the same professionalism here that exists in other schools, please know that as Catholic educators, we strive to provide a faith-filled and family atmosphere within our community. I look forward to meeting you and being able to collaborate with you on how to best serve the needs of your child within this wonderful community.

Included in this letter are important dates and information that will help you with the admissions process.

Please take the time to peruse our website and inquire with our front office about admissions questions. I invite you to come and experience all that St. Cyril of Jerusalem School has to offer your family by scheduling a tour or simply dropping by when you have the time. Thank You and God Bless!

Yours in Christ,

Mrs. Angelica Pugliese

IMPORTANT INFORMATION FOR PARENTS

CAREGIVER BACKGROUND CHECK PROCESS CALIFORNIA DEPARTMENT OF SOCIAL SERVICES

The California Department of Social Services works to protect the safety of children in child care by licensing child care centers and family child care homes. Our highest priority is to be sure that children are in safe and healthy child care settings. California law requires a background check for any adult who owns, lives in, or works in a licensed child care home or center. Each of these adults must submit fingerprints so that a background check can be done to see if they have any history of crime. If we find that a person has been convicted of a crime other than a minor traffic violation or a marijuana-related offense covered by the marijuana reform legislation codified at Health and Safety Code sections 11361.5 and 11361.7, he/she cannot work or live in the licensed child care home or center unless approved by the Department. This approval is called an exemption.

A person convicted of a crime such as murder, rape, torture, kidnapping, crimes of sexual violence or molestation against children **cannot by law be given an exemption that would allow them to own, live in or work in** a licensed child care home or center. If the crime was a felony or a serious misdemeanor, the person must leave the facility while the request is being reviewed. If the crime is less serious, he/she may be allowed to remain in the licensed child care home or center while the exemption request is being reviewed.

How the Exemption Request is Reviewed

We request information from police departments, the FBI and the courts about the person's record. We consider the type of crime, how many crimes there were, how long ago the crime happened and whether the person has been honest in what they told us.

The person who needs the exemption must provide information about:

- The crime
- What they have done to change their life and obey the law
- Whether they are working, going to school, or receiving training
- Whether they have successfully completed a counseling or rehabilitation program

The person also gives us reference letters from people who aren't related to them who know about their history and their life now.

We look at all these things very carefully in making our decision on exemptions. By law this information cannot be shared with the public.

How to Obtain More Information

As a parent or authorized representative of a child in licensed child care, you have the right to ask the licensed child care home or center whether anyone working or living there has an exemption. If you request this information, and there is a person with an exemption, the child care home or center must tell you the person's name and how he or she is involved with the home or center and give you the name, address, and telephone number of the local licensing office. You may also get the person's name by contacting the local licensing office. You may find the address and phone number on our website. The website address is <http://cclid.ca.gov/contact.htm>.

To qualify, families be registered with the parish, must maintain their offertory contributions, and attend at least 26 Sunday Masses in a school year (July 1 – June 30). Mass attendance must be confirmed with a weekly envelope or online giving donation. Families must maintain active participation throughout the school year to preserve this discounted rate. Participation will be confirmed at the end of each trimester. Families who no longer meet the parish tuition rate criteria at those intervals will be moved immediately to the non-parish rate.

Volunteer Hours – Each family is required to complete 30 volunteer service hours during the school year. Kindly note that (15) of these hours may be fulfilled through the Parish. The hours must be fulfilled by June 1, 2023. Any volunteer hours not completed by June 1st will be billed \$25.00 per hour. You are financially responsible for unfulfilled volunteer hours.
